SPECIAL NOTICE
SHELBY COUNTY FAIR - RULES AND REGULATIONS

NOTE: All livestock trailers for cattle, hog and sheep exhibitors are to park along the south fence of the fairgrounds – across from the baseball fields. Trailers for the horse exhibitors will park along the east fence of the fairgrounds – east of the horse barns.

1. All open class competition is open to the world unless otherwise stated.
2. The Shelby County Fair Management reserves to its Board of Directors the final and absolute right to interpret these rules and regulations, and arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of, connected with or incident to the Shelby County Fair.
3. The Shelby County Fair Management will not be responsible for typographical errors in this book. If any occur, they will be interpreted by the Board of Directors.
4. The Shelby County Fair Management and Board of Directors will take all possible precautions for the safe-keeping of stock and articles on exhibition after their arrival and arrangement but WILL NOT BE HELD RESPONSIBLE for any loss or damage that may occur. Exhibitors must give personal attention to their exhibits at the close of the fair and must attend to their removal.
5. Superintendents shall have full charge of their department, being responsible to the Fair Board and Secretary. Superintendents shall take charge of the reception, entry, and arrangement of all exhibits in their departments, be present to aid the judge when necessary, and be responsible for proper supervision of the exhibits in their departments while the building is open. Superintendents shall see that the specific rules and regulations of their departments and general rules and regulations of the Shelby County Fair are strictly complied with.
6. When an entry is made, the Superintendent or Entry Clerk of that department will give the exhibitor a numbered entry tag which must be attached to the animal or article and shall remain thereon until the close of the fair.

7. Each Open Class Non-Livestock Superintendent will be furnished, by the Secretary, an Entry Book in which they shall place the exhibitor name, address, division, class, description and exhibitor number of every article entered for competition in that department. These entries will be compiled by the Secretary into a Judges Book which will be supplied to each Superintendent on judging day for the placing of those entries so designated by the Judge. No other mark or identification of ownership shall be placed in this book until awards have been made by the judge. Each Superintendent shall return this book, properly signed by the Judge, to the Secretary as soon as judging in that department has been completed. Premiums will be tallied by the secretary from the judge’s book. Premiums will be paid by check to each exhibitor. All premium checks for open class non-livestock exhibits must be picked up during release time of the exhibit. Any premium check not picked up during release time will be forfeited to the Shelby County Fair Corporation.

8. No person except the Department Superintendent, Entry Clerk, Secretary, or Fair Board Officer or Director will be allowed to examine the Entry Books until after the awards have been made.

9. All animals and articles entered for premiums shall be classed under the appropriate departments and shall be under the control of the Department Superintendent, in cooperation with a licensed veterinarian, during the fair, who shall exclude from the fairgrounds all infected animals or animals which are suffering from a contagious or infectious disease.

10. All open class non-livestock entries must be in the proper place on or before 6:30 p.m., Wednesday, July 10, 2019, except as otherwise noted. See 4-H and FFA Division Schedule for entry deadlines.

11. No Animal on exhibit for premium nor no article placed on exhibit for premium may be removed from its place of exhibit before 5:00 p.m. on Sunday, July 14, 2019, unless give written permission by the Division Superintendent of the department. Failure to abide by these rules will forfeit to the Corporation all premiums awarded. All exhibits must be removed by 6:00 p.m., Sunday, July 14, 2019.

12. All entries will be made in accordance with the rules and regulations set forth in the various departments as shown by the premium list. Any entries not listed in the premium list but made as a special entry will be awarded a Ribbon only.

13. Parties exhibiting purebred livestock will be required to show pedigrees and prove acceptance of record of all animals one year old or over. Satisfactory evidence must be furnished of the dame and sire of all animals under one year old. Failure to comply will forfeit all fees and bar from competition.

14. Persons entering stock to be exhibited will be expected to have it in readiness to call.

15. All entry fees, stall rent or pen rent, where stated or charged, must be paid when entries are made. Exhibitors making entries and not exhibiting shall forfeit all such fees.

16. No person shall be allowed to act as Judge of, or in, any department, in which he has stock or articles entered as an exhibitor for premiums.

17. No animals will be allowed to run at large on the fairgrounds.

18. The same animal or article will not be eligible to two premiums when competing against itself except at sweepstakes.

19. No animal or article will receive a premium when deemed unworthy by the Judge, though it may be the only animal or article entered.

20. If it is ascertained that any exhibitor has made or accused to be made any false statements in regard to any animal or article exhibited, or if any exhibitor shall attempt to interfere with the Judges in their performance of their duties by letter, circular, or otherwise, he shall be excluded from competing or exhibiting on the grounds of the Shelby county fair Corporation.

21. The word “best” as a prefix to articles has been omitted from our list, but it is understood that the first premium is to be for the best article, the second for the next best, and so on, when more than one premium is given.

22. The Shelby County Fair Corporation reserves the right and privilege to reduce the amount of all premiums and awards made on exhibits listed herein an amount not to exceed 50 per cent of such premium or award, if the fair is confronted with adverse weather conditions or other contingencies beyond its control.

23. No premiums will be paid to 4-H/FFA members until the animal stalls and exhibit areas are cleaned.

A maintenance and protection fund has been established to promote partial compensation for all 4-H & FFA livestock exhibited at the Shelby County Fair, which may die from sickness, overheating and accident while on the grounds not otherwise covered by insurance. The assessment for the same to be paid at the time of entry on the following basis:

- Beef and horses, $5.00 per head

- Dogs, 25¢ per head
- Goats, 50¢ per head

2. The compensation for a loss will be on the basis of an appraisal or market value of the animal lost, said appraisal to be made by a committee consisting of the division superintendent, a 4-H committee member, and a fair board member. The protection will be in force during the fair.

3. Any medication given to animals while at the fair must be administered by a veterinarian or M&P will not cover loss in the event of animal's death.

4. Protection will start after the animal is unloaded on the fairgrounds and will cease when the animal leaves the grounds or at the time of sale. Coverage on animals sold at sale will discontinue when the animal changes ownership.

5. Appraisal on purebred breeding animals will not be more than one and one-half times their market value. No animal will receive more than $1,000. Should the funds from maintenance and protection not be adequate to cover loss of livestock protected, the amount will be prorated.

7. Claims will not be settled until after the fair.

8. Maintenance & Protection will be managed by the Shelby County Fair Board. 4-H/Extension reserves the right to offer input on the distribution of funds in excess of $3,000 for the benefit of 4-H in Shelby County.

LIVESTOCK AUCTION PROCEDURES

For all Youth Participants

Livestock not to be sold in the auction will be released Sunday at 5:00 p.m. Livestock must have been exhibited and judged in the appropriate classes to be eligible for the livestock auction. Any 4-H or FFA animal offered for sale in the Livestock Auction will be considered as changing ownership and will be ineligible to show at future 4-H shows even if the animal is purchased back by its original owner. Once an animal goes through the auction, the animal must go to the packer or the locker. Exhibitor cannot take the animal home.

Exhibitors choosing not to participate in the auction may take their animal(s) home or on to other livestock shows, provided state health requirements are met.

All 4-H Livestock to be offered for sale will be auctioned off for support dollars only, with the exception of animals being purchased for the locker. They will be sold on fair weight at the established market price plus the support price. All other exhibition rules will be followed throughout the fair, including the auction.
Youth must be present or notify the office that someone else (preferably another 4-H'er) will represent their animal/s at the time of the auction in order for their animals to go through the sale. All eligible and exhibited market animals are automatically a part of the auction. Youth exhibiting poultry, rabbits, beef, market goats, and sheep may choose to participate in the auction. Rabbits and poultry are automatically withdrawn from the sale. Poultry exhibitors must notify the 4-H office by 5:00 p.m. on Thursday evening if you plan to sell. Rabbit exhibitors must notify the 4-H office by 5:00pm on Saturday if you plan to sell.
Youth wanting to sell their animal at the auction must complete an intent to sell card at the 4-H office on the fairgrounds according to the following schedule: Swine - by 5:00 p.m. on Friday; Sheep and market goats - by 5:00 p.m. on Saturday; Beef - by 2:00 p.m. on Sunday.

A Sale of Champions will be held with the Champion and Reserve Champion of each species eligible to sell in the same order as the auction sale order. Champions are not required to sell.
The Shelby County Fair Board will take a 2% commission on the base price.
Youth will receive payment for their animal from the clerk after all proceeds have been collected.

For Youth with Beef Projects
All cattle sold and not going to a locker will be sent to Dunlap Livestock Auction where they will be sold the next day during the regular cattle auction. Trucking will be provided, and no additional commission fee will be assessed. Cattle going to the Dunlap Livestock Auction will be re-weighed. Exhibitors need to keep in mind that the weights taken at the Dunlap Livestock Auction barn will vary from the fair weights.
Animals sold at Dunlap will receive an open market bid - no guaranteed price.
Carcass steers, pen steers, and those animals being slaughtered for grade & yield are not available to be slaughtered locally. These animals are committed to the carcass program by noon on Thursday and that cannot be changed.

For Youth with Bottle/Bucket calves
Bottle/bucket calves may not go through the fair auction. Calves must return home after released.

For Youth with Swine Projects
Any swine weighing less than 225 lbs. will be eligible to show, but not eligible for auction support. They must be returned home at the time of weigh in or following release at the end of the fair if they choose to participate in the prospect class. It is up to that participant to find an alternative market following fair, as well as transporting those underweight pigs to the marketplace of their choice.

**HORTICULTURE**

1. Must have been grown by the exhibitor and labeled as to variety, if possible, for educational purposes. Conditioning (clean, prune, and arrange) before entering for show.
2. Foliage must be attached where so grown (no extra foliage to be added) and leaves on plants have to be out of water and presented properly.
3. Container grown plants must have been grown by the exhibitor for at least three months. These must be cleaned and pruned where needed. The three-months does not apply to miniature grown plants.
4. Exhibitor must furnish own clear glass containers. Use bottle appropriate for exhibits and one that will keep the exhibit upright. Can use saran wrap around the top of the glass container to stabilize the stems, and to float a flower.
5. Where 3 blooms, stems, sprays or etc. are specified, have them the same color and the same size.
6. Do not use over-blown flowers, roses should be 1/3 open to exhibit, and the stamens on lilies should not be removed (only remove them when used in a table centerpiece or design category.).
7. All cacti should be in a small container to stay in proportion. This is true with all plants – keep container relative to size.
8. Lilies must be in right category to be judged—there is a difference between daylily and bulb lily.
