

SHELBY COUNTY FAIR FIGURE 8 RACES

GENERAL RULES

1. You must be 18 years of age to participate in the figure 8 races, 16/17 with parental consent.
2. Car and Driver registered as one and nothing can be switched throughout the night of racing even if car becomes non-repairable. Driver that registers car and is teched by the officials at the start of the night runs that car and no one else can race that car during that night's event.
3. Any driver who is under the influence of alcohol or other controlled substances will be disqualified and may be suspended from future events.
4. No Speeding in the Pits.
5. Waiver is to be signed by every driver for every race.
6. Cars should be race ready when coming through inspection.
7. Any fighting in the pit area will subject the offender, and the car they are associated with, to disqualification and may result in suspension from future races. The driver/owner of every car is responsible for their pit crew and their conduct.
8. Rules are final prior to the beginning of the race season. However, rules are subject to review by the track and tech officials and may be subject to change. Additional rules and regulations may be imposed at each event. These will be announced at the drivers meeting prior to the first heat. Driver's meeting will be at the sign in booth just prior to the first heat. All drivers must attend, no exceptions.
9. Black flag will be used for any unnecessary hitting.
10. Any flat tire other than in a feature and in a paying position will be black flagged.
11. If your car is constantly smoking for more than 1 whole lap, and at the discretion of the flagman, you will be black flagged.
12. Suggested to have some type of hook area for track officials to hook a chain up for removal of car from track in all classes. (The Shelby County Fairboard or any volunteer help will not be held accountable for any damages done to vehicles removed from track.)
13. All cars must finish the race under their own power, no other car may aide another while green flag racing is underway. Both drivers involved will not receive - points, pay, or a trophy for the event if this happens.
